

JDC Entwine Multi-Week Global Jewish Service Corps 2015 FAQ

What is the JDC Entwine Multi-Week Global Jewish Service Corps Fellowship?

The JDC Entwine Multi-Week Global Jewish Service Corps (JSC) Fellowship is an opportunity for young adults ages 18 – 35 to serve with the world's largest Jewish humanitarian aid organization through an immersive volunteer experience for four to eight weeks.

Where do Multi-Week JSC Fellows serve?

JDC works in over 70 countries around the world, and placements include working in overseas Diaspora Jewish communities, countries where JDC has non-sectarian projects or in Israel.

Multi-Week Fellows have served in India, Israel, Turkey and Eastern Europe. Check <http://www.jdcentwine.org/jsc-multiweek> for the current list of placements we are accepting applications for.

How long is the Multi-Week JSC program?

All Multi-Week placements range from four to eight weeks depending on the location and the time of year.

I can't join for the entire duration of the program dates. Can I still participate?

We require Multi-Week JSC participants to commit to the entire length of the program.

What are the application requirements?

The application includes an online form with three essays, one recommendation and a brief health form. Please visit <http://www.jdcentwine.org/jsc-multiweek> to access the application.

Is it ok to apply for multiple placements?

Absolutely! You can indicate which placements you would like to be considered for on the general application.

What does the interview process entail? When do interviews take place?

Check our website for upcoming application deadlines. Applicants will be notified within one week of the application deadline if they were selected to advance to the next step in the interview process.

If selected, we will schedule a 30 minute Skype interview with you and a JDC Entwine staff member. Once the interview is completed, you will be notified within two weeks whether or not you were selected to be a Multi-Week JSC Fellow.

I cannot afford the full cost of the trip. What kinds of subsidies are available?

JDC Global Leadership Grants are provided on an as-needed basis and you can apply for a grant on the trip application. Note that no full subsidies are available.

I still have more questions. Can I speak with someone?

Of course! We would be happy to schedule time to speak with you further. Please be in touch with Naomi.Levin@jdc.org to coordinate.

See information sheet for details about specific placements, dates and cost
